

PaperVision® Capture

What if you could **capture everything?**

Capture and organize your information

Overwhelmed by data?

By **2020**, the digital universe will grow from **4.4 trillion gigabytes** to **44 trillion**.

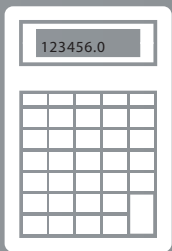

- The Digital Universe of Opportunities, IDC 2014

Think your paper is under control?

35% of scanned documents are **born digital**.

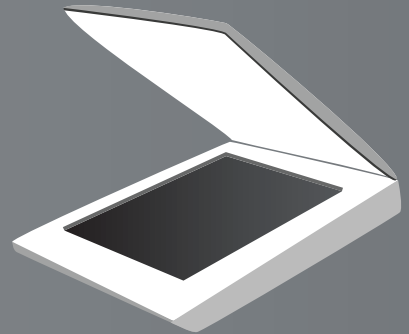

65% of scanned paper is **destroyed**.

- Paper Wars 2014 - an update from the battlefield, AIIM 2014

// With the help of PaperVision Capture and PaperVision Enterprise, we're able to **ensure protection** of more than **10,000 records**. Vulnerable information is no longer just sitting in drawers. //

- Mary Peelen
Director of Health Information Services, MHCD

Two Rivers Financial Group, Inc. **spends 80% less time filing** by using PaperVision Capture.

TAKE CONTROL NOW

After implementing PaperVision Capture, DataXport **saves \$350,000 each year.**

THAT'S EFFICIENCY NOW

THAT'S MONEY NOW

Want even more?

Use PaperVision® Enterprise or ImageSilo® to securely...

Scott Matthews knew,
"it didn't have to be so hard, and it didn't
have to cost so much," so he set out to prove it!
